Dear Recruitment Team,

I am writing to express my interest for the role of Entry Level Engineer. Please find attached a copy of my CV, in which I have outlined my qualifications and achievements till date.

I had done an academical projects related to machine learning using Python and various algorithms. I gained experience in using jupyter and R language. Details of these projects are available on my GitHub profile.

I am confident that my technical knowledge and skills makes me a strong candidate. I would welcome the opportunity to meet with you and am available for interview at any time. Please don't hesitate to contact me on +353 (0)89 952 6624 (or) by email at monagarigeethanjali@gmail.com.

Thank you for your time and consideration.

Sincerely,
M.Geethanjali.

Geethanjali Managari

Address: 26, Shackleton point, Shackleton manor, Lucan, Dublin, K78V6P0.
